Hodgson wins all 191 polls

by The Times Staff

The temperature hovered in the mid-90s (Fahrenheit) in the Banquet Room of the Olympia Restaurant in Lindsay Thursday night, but nobody seemed to mind. The room was the headquarters for Chris Hodgson's Progressive Conservative election reception and spirits were high.

It was clear early in the evening that Hodgson was headed for a massive victory. When the final count was in, he had outdistanced nearest rival Sharon McCrae, the Liberal candidate, by nearly 19,000 votes.

Hodgson won all 191 polls in the riding. His share of the votes was 69 per cent. Sixty-five per cent of the 56,000 eligible voters in the Victoria-Haliburton riding went to the polls.

"We sent a clear message in the by-election that we wanted real change and tonight, the whole province has caught on to that and we have a chance to implement it," Hodgson said after the PC majority win was confirmed. "It's totally humbling that we're going to sweep the province. The results in Victoria-Haliburton are remarkable and I really want to thank everyone. A lot of people worked hard for this."

Hodgson even gave credit to those people who put his campaign signs on their front lawns and "talked it up with

their neighbours."

Chris' campaign manager, and brother, Andrew Hodgson told the audience that it took hundreds of people to make the campaign such a success.

Hodgson will be one of 82 Progressive Conservative MPPs to form the next government of Ontario. The swearing-in ceremonies will take place on June 26.

One of the issues Hodgson hopes to get working on immediately is health care in Haliburton County.

"I look forward to working with Foster Loucks and the committee," he said, adding that he will be working toward

the goal of getting more doctors in the area and pushing forward with getting the improvements to the health care facilities as outlined in the Acting Health Services Board resolution of last fall.

The winter trout fishing proposals, and their impact on the local economy are another area that will be investigated in the near future.

Bark Lake and the Managed Forest Tax Rebate Program are also on his agenda.

One of his first orders of business is to get caught up with constituency business. He admits there has been a backlog of chores that need attending to right away. He expects to be in his constituency office most of the week dealing with the local issues.

County see page 5.*

CONGRATULATIONS: Liberal candidate Sharon McCrae offered a congratulatory handshake to re-elected Progressive Conservative MPP Chris Hodgson at Hodgson's reception Thursday night at the Banquet Room of the Olympia Restaurant in Lindsay. Hodgson won all 191 polls and 69 per cent of the popular vote to earn a landslide victory in the Victoria-Haliburton riding.

Storm leaves trail of damage

A thunderstorm roared through the Highlands on Wednesday leaving in its wake swollen rivers and lakes, power outages, flooded and washed out roads and damaged electronics.

It was a familiar scenario. The thunder storm hit late Wednesday afternoon. Dark clouds had been rolling overhead during the day as the temperature and humidity climbed. By late afternoon it was obvious the area was in for an early summer storm typical of the season.

The storm arrived in Minden shortly after 5 p.m. unleashing torrents of rain that quickly filled the gutters. Moments later, the first forks of

(more on page 4)

While many roads experienced just minor flooding, the Davis Lake Road in Lutterworth Township took a major hit, washing away a gaping portion of the roadbed and temporarily stranding some residents. The road is not expected to be repaired until sometime this week.

They came, they sawed, they chopped

Downtown Minden was abuzz with chain saws, flying axes and clambering lumberjacks Saturday, as the community hosted the third annual Ontario Timbersport Championship. Thousands of people crowded onto the blocked off street, perched on portable grandstands and ringed the cordoned off competition areas, to watch as men and women demonstrated their skill and agility. (Photos of the day's events can be found on page six.)

According to one of the organizers Bob Patton, it was the most successful competition since the event was first

(more on page 3)

SERVICE RECOGNIZED: The Stanhope Fire Department honoured three firefighters who recently retired. Captain Jim Moore, left and Deputy Chief Don Barker have both been members of the department for 20 years, while John Muise served for 15 years. Fire Chief Bob Pollard presented the three with plaques recognizing their service to the community at the department's annual Ladies Night dinner held at the firehall. Firefighter Wayne Cully who was absent, will also receive a plaque for his 15 years of service. (Photo by Carol Moffatt)

Norland woman dies in car crash

Joan Calder, 66, of Norland died as a result of a two-vehicle accident north of Fenelon Falls on Highway 35. The accident occurred at about 3:50 p.m. on Monday, June 5 just north of Bayview Park Drive, about three kilometres south of Rosedale.

The Coboconk OPP report that the Calder vehicle, a 1992 Lincoln, was northbound on Highway 35 when it crossed into the southbound lane, colliding with a 1990 Dodge van driven by Clarence Howell, 63, of RR1

Lindsay.

The Fenelon Falls Fire Department assisted in the removal of both drivers from their vehicles. Both were transported by ambulance to Ross Memorial Hospital in Lindsay where Calder was pronounced dead on arrival. Howell suffered serious injuries in the accident.

BURNED TO THE GROUND: Fire destroyed a barn on Hunter Creek Road Friday night. Minden firefighters were on the scene all night and it wasn't until Saturday morning that the fire was extinguished. The rain from the day before made the laneway going in to the barn impassable for the fire trucks so firefighters spent most of the night keeping the flames from spreading. The barn belonged to John Hulbig of Minden.

Hodgson among 82 PCs elected

(from page 1)

Asked what a Progressive-Conservative majority government will mean for this riding, McCrae said she is concerned.

"I particularly think that this riding is going to be in for a rocky road," she said, "because I don't see how [PC leader Mike] Harris is going to be able to deliver on his promises, and I don't see how Chris is going to be able to do the things that he would like to do in this riding, given the Harris platform. I know that this riding is seriously in trouble with health care, particularly in the Minden area... Some sweeping changes are going to have to occur if we're going to be able to get people in this riding working. I don't see how it's all going to happen with the people in the upper income bracket getting a 30 percent tax break. Sorry, I just can't see it happening."

"So I'll be paying close attention," she concluded. "And in another four years if I'm as angry about the situation as I felt in the last few months, I'll be seeking the nomination."

Following McCrae, Cathy Vainio, of the New Democratic Party took 11 percent of the votes. Candidates outside the three main parties took around 3 percent of the total votes, led by Brad Bradamore (Independent) at 1.7 percent, then Brad Medd (Family Coalition Party) at 1 percent, then Charlie Olito (Confederation of Regions) at 0.4 percent.

See the chart with the poll-by-poll results of Haliburton and the northern portion of Victoria Counties on page 5.

Could be as big as the Sled Dog Derby says consultant

Timbersport attracts world class competitors

(from page one)

staged and bodes well for the future of the attraction.

His optimistic outlook was repeated by consultant Bill Deba of the Lumberjack Company in Lindsay. Deba has been involved in organizing timbersport competitions for 13 years and was hired by the local committee to assist in planning and running this year's competition. He also served as the master of ceremonies for the last three years.

"The Minden event is the biggest professional championship in Ontario," Deba said. He indicated it has the potential of becoming one of the main attractions of its kind in North America. Deba compared the Timbersport competition in Minden with the annual sled dog derby held each January. "The Timbersport event has the potential of becoming as big a draw as the sled dog races," he said. "The next step is for the organizing committee to find a major sponsor to help

carry the costs of promoting and running the show.

"This event has earned the respect of the professional competitors and that is the biggest hurdle. Once the professionals start talking about it, it will attract the best calibre participants." All the times recorded here on Saturday were "world class" he added.

Deba said that many of the participants on Saturday were among the best he has seen. The winners of the events included:

- Germain Fereschette from Quebec who won both the 0-74 and 0-144 cc chain saw competition.
- Gaston Duperre from Quebec who won both the Stihl stock chain saw competition and the Husqvarna open chain saw competition. He took home a new chain saw for his win in both divisions.
- Larry Eber from Sault Ste. Marie, who won the antique chain saw (pre-1960) competition.
- Dany Boulanger of Quebec winning the women's

horizontal chop.

- Cliff Vroman of New York winning the men's horizontal chop.

- Mary Dooley and Christine Vangee of New York winning the women's cross cut saw competition.

- the father and son team of Napoleon and Jean Pierre Mercier of Quebec who claimed the men's cross cut saw competition.

- Jean Pierre Mercier also won the Swede saw competition with a lightning speed of 5.34 seconds for a 10 inch log.

- Gaston Duperre and Dany Boulanger won the Jack and Jill cross cut competition.

- David Jewett of New York won in three divisions: the vertical chop; the spring board chop and the pole climb.

- Curt Heiser of Michigan took the axe throw competition.

Near record rainfall pummels Minden area

(from page one)

lightening hit. One bolt appeared to zero in on an area between Hyland Crest and Highland Gate Estates. The discharge knocked out electricity to that portion of town and sent a surge through the power, phone and cable lines scrambling home electronic equipment. Residents report that computers, phones, VCRs and televisions sets were damaged as a result of the lightening hit.

Power outages and equipment damage was experienced in areas throughout the southern portion of the county.

A second storm moved through the area a short time later, again dumping a large quantity of rain on the community. After it had passed, the temperature plummeted.

Minden weather watcher Phil Graham said the temperature reading at 5 p.m. was 27 degrees. By 6:30 Wednesday evening it was down to 15 degrees, 8 degrees at 9 p.m. and bottomed out during the night at 3 degrees.

The lightening also left its calling card which didn't become evident until the following day.

Thursday, the fire department was called to the bush area behind Hyland Crest to extinguish a smouldering tree stump. The fire was apparently ignited by the lightening, but because of the heavy rain, was held in check. However, 24 hours later, the heat from the smouldering fire and the dry conditions allowed the fire to emerge and send out a plume of smoke that was noticed by area residents. The Minden fire department, called to scene Thursday at 7:00 p.m., was able to quickly extinguish the blaze.

Throughout the area roads were flooded by the heavy rainfall. Most of the flooding was temporary, but in one instance, a large section of the Davis Lake Road in Lutterworth Township disappeared with the wash generated by the storm. The culvert under the roadbed just couldn't handle the heavy flow. According to local residents this is the second time this stretch of road has

fallen prey to heavy rains. The last time this occurred was in 1969.

According to Phil Graham, the storm on Wednesday dumped 43 mm (one and three-quarter inches) of rain on the community in less than a three hour period. He described the deluge as "close to a record" for the area.

Graham said the heavy rain seemed to be concentrated in Minden and south of here. He said that if the storm had passed further to the north, the potential for flooding could have been much higher.

Graham noted that 48 mm (two inches) fell on June 2. Area lakes and rivers were above capacity before last Wednesday's storm and the additional rain could have resulted in serious flooding. As it is, the Trent Severn

system is having a hard time dealing with the exceptionally wet season.

Lakes in the Highlands are above the normal capacity for this time of year and the river system south of here is hard pressed to accommodate the flow. During the past week, the water level of the Gull River has risen to that normally only seen in the spring.

In some areas on the Trent Severn waterway system, south of Minden, locks have been closed due to the hazard to navigation caused by the heavy flow of water. In this area, cottage owners, who normally watch with concern for any drop in lake levels, were finding that the high water levels are also causing concern for boat-houses, and docks.

Minden firefighters were called to the wooded area behind Hyland Crest Thursday evening to extinguish a smouldering stump. The fire is believed to have been the result of a lightening during the storm the night before.

**"Aftercare is one
of the most
important services
a funeral home
can offer."**

"Many people don't know where to turn after the loss of a loved one. Oftentimes, family and friends aren't sure what they can do or say to help. That's why we have formed a grief recovery group.

While a support group doesn't make problems disappear, it does give people a chance to talk with others who are experiencing similar emotions.

It's important that people find a way to express their grief and learn to deal with it. That's when the healing begins."

Unseen value

Continuing with a discussion begun last week in this space regarding the Minden Hospital:

There are a number of reasons services offered through the Minden Hospital are currently being threatened. First and foremost, is the obvious lack of medical manpower available in the community. Steps are underway to resolve that situation, including the recruitment of physicians to take up residence here and the hiring of doctors from outside the area to ensure the emergency department is staffed. The high cost of paying doctors to staff the emergency department has disrupted the hospital's budget and resulted in the closure of the in-patient beds. The longer this situation continues, the greater the chance the in-patient beds will not be reopened.

However, we believe there is another dynamic at work. The Minden Hospital is the smallest in the province. Those who manage the provincial health care budget have difficulty visualizing the efficiency and value of a facility called a "Hospital" with only nine in-patient beds. Their observations are absolutely correct when made in relation to hospitals operating in larger centres. There is no way a facility this small can generate the "return" in patient care and services that can be found in larger hospitals.

What is unseen however, is the value provided to the community and the health care system in general, by this small hospital. This facility provides an ideal location for treating patients who have undergone major surgery elsewhere and who need a place to recuperate. The in-patient beds provide a setting where patients who may only require a few days observation can be attended to without having to leave the community. And the hospital is a place where terminally ill patients can live out their last days, under medical care, but yet close to their family and friends. The in-patient beds could also provide a much needed respite location for patients currently being treated at home. In all cases, the Minden Hospital can provide a place for patients who would otherwise occupy (more expensive) beds in larger institutions.

The Minden Hospital can provide all of this for the community. It is these valuable and necessary services which will be lost to the area if the in-patient beds are closed permanently. Hopefully any assessment of this hospital's future will include these often overlooked vital functions.

jb

No changes planned for Minden library

Editor:

In answer to concerns recently raised in a letter to the Editor, the Haliburton County Library Board bears unique responsibility for the provision of public library services within the County of Haliburton under the terms of the Public Libraries Act (1984).

Since 1965, this Board has always exercised its obligations with due care and diligence. All members of the Board and all staff - professional and clerical - have consistently exhibited high levels of commitment to the concepts of public libraries and public library services. Any suggestion to the contrary represents a major disservice to each and every one of these hard working individuals.

It would appear that a rumour has arisen regarding possible relocation of the Minden service point. Neither Board nor staff members had any prior knowledge of this rumour until it was referred to in *The Times*.

An initiative of this magnitude would represent a

major change in direction for the Board, inconsistent with our policies, goals and objectives. As a public library, we have a clearly defined responsibility to our clients in particular and the community in general.

Before a major shift of any area of concern is made, extensive research is carried out to ensure that any developments and changes in policy are in the best interests of public library services and of benefit to all of our clients and potential clients as well. This has always been our policy in the past and will continue in the future.

As is always the case, the Board continues to welcome input from all members of the community. Please do not hesitate to contact either myself or our Director on this or any other library-related matters.

Sincerely,

Pat Black, Chairman
Haliburton County Library Board

Opinion

The Times welcomes signed letters to the editor on subjects of interest to our readers. Short letters are most likely to be chosen for publication, but the use of any material is at the discretion of the editor. The editor reserves the right to edit letters to meet space requirements, for clarity or to avoid obscenity, libel or invasion of privacy.

Upon request, names may be withheld, but only very rarely and for compelling reasons. Letters published do not necessarily reflect the editorial policies or beliefs of this newspaper. All letters must bear the handwritten signature of the writer and include the address and phone number for verification purposes.

A little fence mending

by Jack Brezina, Editor

We have used this space before to grump about the changes at Panorama Park, so it is only fair we return to this space to report on some changes that have taken place.

You may recall that we recounted earlier this year that a new, six foot high, chain link fence had been installed at the lookout above Minden. The fence had been erected by the municipality apparently in response to concerns raised by the township's insurance company. While the fence did in fact deter anyone from carelessly wandering over the edge, the height of the fence, robbed the visitors of the breadth of the spectacular view.

In fact, the fence was an ugly intrusion that did little to deter anyone who might want to stray to edge, because the fence ended where the municipal property ended. Anyone wishing to get on the other side, as dim-witted as that idea may be, could do so quickly and easily.

We did recognize a need for a barrier of some kind to make parents

and others with small children feel more secure for the youngsters.

We revisited Panorama Park last week and were delighted to see that the six foot fence along the upper portion of the park, where the view is best, has been replaced by a four foot high barrier. Now snapshots from the park will not contain the armed camp look and people will be able to take in the view of the countryside and not become cross-eyed looking through the chain link pattern.

The four foot barrier provides the security necessary for young children, and is a visual message to those who may like to live dangerously, that they are crossing into a potentially dangerous area and in doing so must accept the consequences for their actions.

Hats off to the Anson, Hindon and Minden council for daring to reverse a previous decision and for recognizing, while there is a need for public safety, there is also room for common sense.

Now, if only we could do something about the vandals who seem to have taken an almost pathological interest in destroying the outdoor conveniences at the park....

Gold finch

...utterly flummoxed by banks

When I go into a bank I get nervous.

Stephen Leacock

Pity the poor beleaguered Maestro of Mariposa. Stephen Leacock was utterly flummoxed by banks. He couldn't handle the mental arithmetic. He balked at the people who worked there. He got rattled at the wickets, the deposit books and the thought of all that money piled up in the vault just out of sight.

"When I go into a bank" he wrote, "I become an irresponsible idiot." He could walk through the front door as a sane and stable burgher with cash in his pocket. He left minutes later a stricken, gibbering fool determined never to darken the door of any financial institution for the rest of his life.

But, on the bright side, he got some great material in that sleepy Mariposa Temple of Mammon. He wrote one of the funniest essays any Canadian ever penned. It's called "My Financial Career" and it still

cracks me up more than half a century after he put it on paper.

That's more than he'd get if he went into a bank nowadays.

When I go into a bank, I feel...irreverent. The first thing I see is a sign urging me to 'Have My Bank Card Ready'.

What bank card? I don't have any freaking bank card. I've got a little cash in my pocket and I want the bank to hold it for me for a while.

That's what banks do. They take care of your money because their chances of getting mugged are considerably less than yours.

I don't feel bad when they ask me to put my signature on a withdrawal slip. I mean, hell -- Conrad Black might be trying to raid my bank account. You can't be too careful.

But I tend to wax ballistic when my bank tries to convince me that I need to flash yet another piece of plastic before they will deign to deal with me.

Alas, I realize that I am, as my old

sea captain used to say approximately, merely 'spitting into the wind'.

It's a losing battle. The banks, like every other institution in these, the Nasty Nineties, are 'downsizing'.

Which is to say they're laying people off and replacing them with machines and 'automatic, client-driven procedures' just as fast as they indecently can.

Not so long ago I used to see five, sometimes six tellers each time I went through the bank door. Now there are two -- and with so many extra chores to perform -- sometimes fewer than that.

And it ain't going to get better. Indeed, the financial wave of the future is already

splashing against the wickets of the First Chicago Bank, down in the Windy City.

So, you can still walk into the First Chicago and hand a teller your deposit.

Difference is, the bank will charge you \$3 for the privilege. Every time.

Unless you happen to have \$3000 gathering moss in a checking account. The bank waves the three-buck penalty

for people who are that dim.

You see, the bank thinks you should be penalized for not using an Automatic Bank Machine.

They figure it this way: it costs the bank nearly ten times as much to pay a human to handle your transaction as it does when you punch it in yourself.

Sure, it's only pennies but...well, you know how tough times are for the banks.

The day is coming, my fiends, when encountering a real live teller at a real live wicket will be as rare as a UFO sighting.

I guess it's progress. But I guess I don't have to like it. I prefer talking to flesh and blood people with actual smiles. People with kids and spouses and new hairdos who know me by name and ask after my dog.

Punching a keyboard may be faster, but it's not terribly life-enhancing.

And Mister Leacock, if you're perusing this in some celestial gazette, I want you to know that you got out just in time.

Black'n White

by Arthur Black

Auditor has good news for AHM council

Anson, Hindon and Minden received a glowing report from municipal auditor Gary Thurston at last Thursday's council meeting. Thurston credits the municipality's "superior cash reserve program" for the

good financial condition it has been able to maintain. He added that the municipality was able to take advantage of more than \$1-million in infrastructure grants because of the reserve policy and even with the number of

infrastructure projects Anson, Hindon and Minden has been able to take advantage of, the reserves have only been depleted by \$39,000. The municipality has managed to complete these projects without having to deplete any of the costs.

"This municipality has shown that it is possible to do major projects without debenturing," Thurston said. "There is still a healthy reserve fund, considering the amount of work (infrastructure) that has been done."

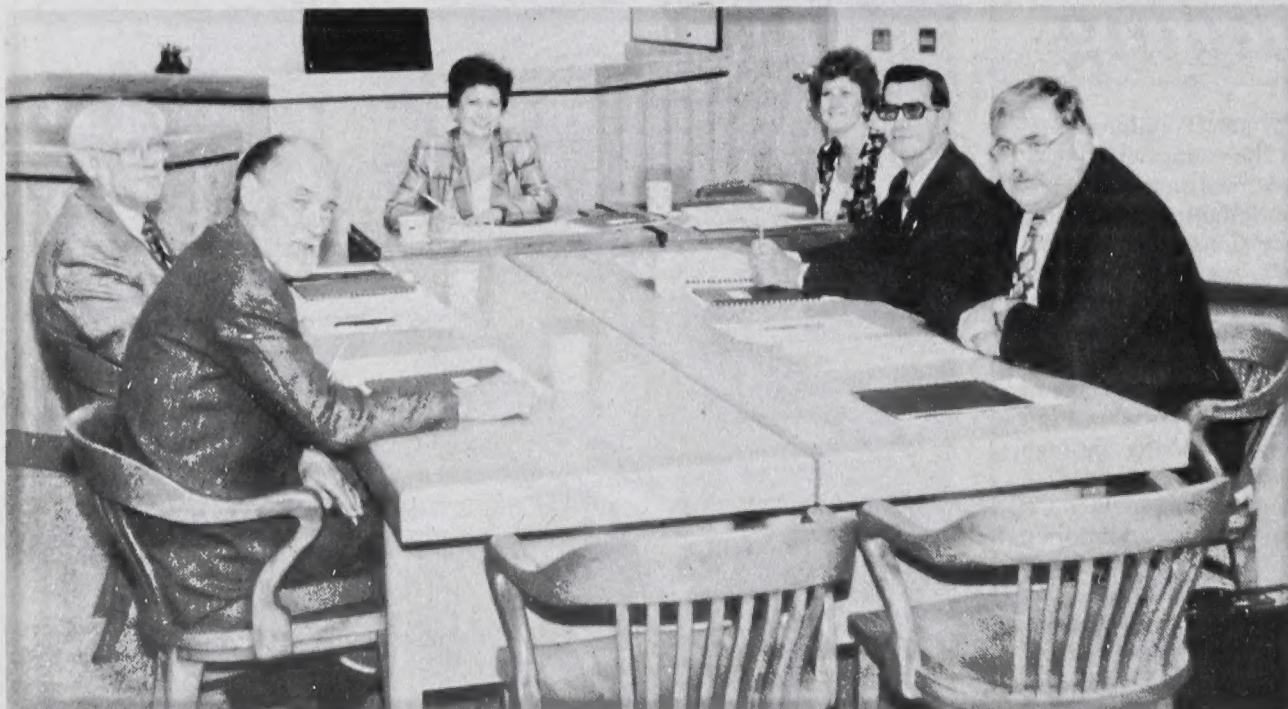

Thurston reported that tax arrears are down from a high of 16.8 per cent in 1993 to 15.8 per cent for the year ending December 1994.

Thurston explained that it is his responsibility to inform council if there are any problems regarding the integrity of the municipal books or the staff. He emphasized that there were no such problems.

Anson, Hindon and Minden has retained a total cash surplus of more than \$360,000.

Reeve Jeanne Anthon credits municipal staff (especially clerk-treasurer Tammy McKelvey) as well as the current and past councils for the municipality's excellent financial position.

Councillor Jerry Rome pointed out that the new computer system that will soon be installed will be a great benefit in keeping records up to date.

NEW DIGS: The council for Anson, Hindon and Minden held its first meeting at the new council chambers/courtroom last Thursday. Pictured clockwise from the front left are: councillor Grant Ploord, councillor Jerry Rome, reeve Jeanne Anthon, clerk-treasurer Tammy McKelvey, deputy-reeve Lewis Stevens and councillor Daryl Moore.

AH&M says no to Sherborne's sewage

A request by the municipality of Sherborne et al to process sewage from its lagoon system at the Minden sewage plant has been denied. During discussions, it was pointed out that there have been several requests by Minden area sewage disposal companies to use the Minden sewage treatment plant for disposal. Those re-

Midget A Royals down Oakwood, bow to Cambray

by Jerry Grozelle

The June 4 midget A baseball game in Minden between the Cambray #1 team and the Royals was a nail-biter throughout.

Chris Eskeline was the starting pitcher for the Royals. He gave up just one hit and struck out two in the top of the first inning.

Minden jumped into the lead in the home half of the first frame. Jeff Wray hit a single and scored on a double by Eskeline, who also came around to score before the inning was over.

The top of the second saw Eskeline strike out two more and leave one Cambray runner stranded at third.

Darren Mills was the only Minden player to get on base in the bottom of the second after taking a walk. He was left stranded.

Cambray got on the scoreboard with a solo home run in the third. But Eskeline made up for that one by striking out the side to keep the damage to a minimum.

The bottom of the third saw Wray issued a walk. He made it around to third, but that was as far as he got before the inning ended.

Cambray knotted the game with one run in the top of the fourth and the score remained tied at 2-2 at the end of the inning as the Royals were three up and three down.

Tom Bagshaw took over on the mound for the fifth inning. His first two pitches were good for outs and he fanned the third Cambray batter to end the top of the frame in seven pitches.

Mills and Sheamus Donnery were both issued walks in the home half of the fifth and Wray followed with an RBI single and he came around to score as well. After five, Minden led 5-2.

A combination of errors and the fact

that the opposition solved Bagshaw's pitching style resulted in five runs for the Cambray team in the top of the sixth inning. One of the visitors' hits was a three-run homer.

Cambray held the Royals off the scoreboard in the home half of the sixth to grab the win.

Minden fared better against Oakwood two days later, coming home with an 8-5 win.

Donnery got Minden on the scoreboard in the first inning, making the round trip after taking a walk.

Justin Rowden picked up two strikeouts in the bottom of the inning while keeping Oakwood off the scoreboard.

The Royals added four runs to their tally in the second. Dwight Bryant hit a double, Mills walked, Donnery doubled, driving in two runs and Rowden hit a two-run homer.

Rowden kept the home side from scoring in the bottom of the second, picking up two more strike-outs in the process.

Eskeline hit a solo home run in the third for a 6-0 Minden lead.

Oakwood closed the gap to 6-5 with five runs in the bottom of the third. All of those runs were scored after Rowden had issued walks.

Minden regained some breathing room with two runs in the top of the fourth. Donnery and Jamie Swinson both walked and scored, with Jamie Henderson picking up an RBI.

Eskeline took over on the mound for the fourth frame (which was also the last inning). He struck out the first Oakwood batter. The second man to the plate hit a single, but he was left on base when Eskeline fanned the next two to end the inning, and the game.

The Minden midget A team plays its home games at the Minden community centre Sundays, starting at noon.

SEVEN-PITCH INNING: Midget a Royals part-time pitcher Tom Bagshaw lets go with one of the seven pitches it took to retire the side in the fifth inning of the June 4 game in Minden against Cambray.

PURE WORKOUT Pre-season Prep Talk

Bantam A Royals one-and-two in first three games

After a season-opening 22-1 romp, over the Lindsay #2 team, the Minden Royals bantam A baseball team suffered two consecutive losses.

In their victory over Lindsay #2, the Minden bats caught fire, with each member of the squad contributing at least one hit.

Ryan Anderson was the star of the game for the Royals, hitting for the cycle, including a grand slam home run in the third inning.

Matt Cheeseman homered as well, a feat he would repeat in games two and three.

Chris Nielson provided shutout pitching for the first

four innings, allowing only a bunt single in the second frame.

Game two of the season saw Minden playing host to the Lindsay #1 team, which is more powerful and experienced than the #2 team the Royals defeated the week before.

Lindsay started racking up the runs early, largely because of fielding errors by the Royals in the first and second innings. By the end of the second frame, Minden was trailing by an 8-1 count.

Among the few highlights for the Royals were a solo home run by Cheeseman and a strong pitching performance by Anderson in the late innings.

The final score was 9-4 in favour of Lindsay.

Game three, again in Minden, featured the same two teams that faced off in the championship game last season. The Royals won that final game last July, but it certainly was a different story this particular Sunday morning.

The Beaverton squad notched three runs in the first inning and exploded for five in the second to take an 8-3 lead going into the third.

The Royals added three runs to their tally in the third, with Steve Ecclestone scoring on a Cheeseman single. Cheeseman then scored on a single by Chris Little.

Cheeseman, who pitched the first three innings, kept his homer per game streak intact with a two-run shot in the first.

Minden continued to claw its way back into the game with two more runs in the fifth. The Royals ran out of time and had to accept their second loss of the season, falling to Beaverton by an 8-7 margin.

Philip Daniels was the star of the game for Minden, throwing a no-hitter in the final three innings.

The Minden bantam A team will play host to Sunderland on June 18, starting at 10 a.m. at the community centre ball diamond.

The Minden Seniors Thursday Afternoon Bowling League held its year-end banquet recently at the Minden Legion. The group is sponsored by Paul Heffer of the Minden IDA Drug Store. Seen here with the trophy (l to r) are: George Moulton, Richarda Rogers, Mary Orpana, Kay Smith, Millie Boskett and Maurice Boyd.

Mackenzie four-for-four in bantam B win over Cannington

Two games were added to the victory column for the bantam B Royals baseball team on June 4 and June 6.

Playing at home on June 4, the Royals shaded the visiting Cannington crew 7-6.

Colin Mackenzie pitched the first three in-

nings striking out five and not allowing a single base runner. He also helped the cause by going four for four at the plate and he scored the winning run in the bottom half of the last inning after stealing second and third bases.

Andrew Graham had two hits in three trips to

the plate, a single and a double.

Cam Neville pitched the last three frames.

Adam Agget drew three walks and scored two runs.

Royals coach Andy Mackenzie credits the "excellent infield defence of first baseman Andrew

Graham, second baseman Aiden McKnight, third baseman Aaron Gibbons and short stop Ryan Dawson with a large part of the team's success against Cannington.

Taylor Goodman made two key catches at centre field.

The catching duties were shared by Brock Ladurantaye and Gord MacDougall.

The June 6 game in Cambray, against the Cambray #3 squad ended in a more convincing 7-1 victory. The game only went three innings because of time constraints.

Gibbons pitched all three frames, giving up only two hits, while recording five strike-outs.

Mackenzie and MacDougall had two hits apiece, while Neville and Gibbons had one hit each.

Neville and Graham teamed up to turn a textbook double play to end the second inning.

"The team has improved through hard work at practice and the defence is much improved," coach

Mackenzie said.

The bantam B Royals play their home games at

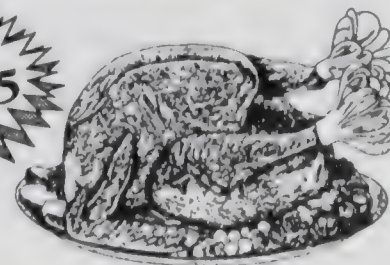

10 a.m. Sundays at the community centre baseball diamond.

SHUFFLEBOARD WINNERS: The Husband and wife team of Maurice and Dorothy Boyd took top honours in the Seniors Games shuffleboard competition held in Minden last Monday and Tuesday. Joan Mackenzie and Elinor Smith placed second and Jean Sears and Hugh Allen were third.

Peewee A baseball

'Caygeon brings out the best in Royals

by Jerry Grozelle

The Minden peewee A Royals baseball team, coached by John Mattsson, is getting into the groove. The team has won two of its first four games and Mattsson says the fourth game was the best of the season for the boys.

Andreychuk Classic returns to PineStone

The second annual Dave Andreychuk Classic Golf Tournament will take place at the PineStone Inn and Conference Centre on Wednesday, July 26.

The event will be similar to last year, with four paid players teaming up with a celebrity for the best-ball tournament.

Organizer Bryan Brown says he has a commitment from Dennis Hull to be the guest speaker. Hull is one of the most sought-after guest speakers in the sporting world. The list of celebrity golfers is growing daily and Brown says he will announce that list closer to the date of the event. He says that many have verbally confirmed that they will be there, but he prefers to wait until he has the commitments in writing before making the announcement.

An impressive list of prizes for the event has already been accumulated and Brown says that anyone who wishes to donate prizes should contact him at 457-5214.

The per-person cost of participating in the tournament is \$185, which includes the golf, cart, meals and admission to the auction. Those who participated last year will have until June 15 to register for the 1995 event. After that, registration will be opened to the general public on a first come, first served basis. Brown says there is already a waiting list.

The Royals started the season with a 12-4 loss to Haliburton on May 21. Then, they edged Beaverton 6-4 in Minden on May 28. A game on June 4 in Minden against Seagrave saw the Royals lose by an 18-9 count.

Last Monday is what Mattsson hopes is a reflection of the team's winning attitude. The peewee A Royals downed Bobcaygeon 10-2.

"They played very well against Bobcaygeon," Mattsson said. "They were swinging the bats well."

"We have a ton of talent," he added. "If they come to play and work hard, they'll do very well."

Mattsson said he tried everybody at different positions during the first three games but in Bobcaygeon, he stuck to a set lineup.

Robbie Solomon was the starting pitcher for Minden against Bobcaygeon. He hurled the first three frames, giving up one run. Gaten Davis took over on the mound for the fourth and fifth, also giving up a single run.

"Everybody contributed offensively," Mattsson said. "We got a lot of singles and we were very aggressive on the bases, stealing a lot of bases."

Minden opened the game with three runs in the top of the first inning. The Royals added one in the second, one in the fourth and five in the fifth.

Bobcaygeon replied with one in the first and one in the fourth.

"It was a good team effort," the Minden coach said. "It was, by far, their best game of the season so far."

The peewee A Royals play their home games every Sunday at one of the community centre ball diamonds, starting at noon.

PROCEEDS TO HELP COMMUNITY PROJECTS

In life, some things just don't mix

You're pregnant. It's the most joyful celebration of life. And a good reason to avoid alcohol until after your baby is born. Let the bubbly wait for later to protect your baby's health now. Here are some tips.

Tip 1. Give yourself a break from alcohol. Keep mineral water, juice or dealcoholized beer on hand. When you go out, take these beverages with you.

Tip 2. Make the healthier choice. Pass up the alcohol for walking or relaxation exercises.

Reviewing officer praises Cadets

Brigadier Stan Parker, (retired), had high praise for the members of the Royal Canadian Army Cadet Corps 1129, Haliburton, after completing his inspection May 28. The Brigadier, from Fenelon Falls, was the reviewing officer for the corps' tenth annual inspection.

He told the members of the corps he was impressed by the group's fine appearance and the achievements they have made over the past year. Referring to a letter he had read in a newspaper recently, which complained about the attitude of today's youth, the Brigadier said, "I wish I could have the writer of that letter with me today to show him that generalizations like the one he made are not always true."

Parker had praise as well for the sponsors of the corps, including the four local branches of the Royal Canadian Legion in Haliburton, Minden, Kinmount and Wilberforce.

The Corps' Commanding Officer, Captain M. Broadhagen added to those comments saying that without the support of the officers and the parents of the cadets, the success realized during the past year would not have been possible. "These young people will be better able

As officers and members of the public looked on, three members of the cadet corp demonstrated, in a mock setting, correct firing range procedures.

to respond to the challenges of tomorrow because of their involvement in the cadet program."

Following the formalities of the inspection, the cadets provided demonstra-

tions of their skills in first aid, precision marching and range procedures.

The Royal Canadian Legion Pipe Band also assisted with the inspection parade.

AWARD WINNERS: Members of the Cadet Corps who received awards at the annual inspection included, from the left, front row, Cadet John Collins for most improved dress; Sergeant Corina McKee for the most improved cadet; Warrant Officer Karen Aschenbrenner for best female cadet; Warrant Officer Eric Kramkowski for the best male cadet; Chief Warrant Officer Ryan Smith for most outstanding cadet; Corporal Jeff Parish for the most enthusiastic cadet; and Cadet Jessica Woodcock, recipient of the Minden Legion Trophy. In the back row, awards for perfect attendance went to: Cadet Perry Belekoukias, Sergeant Doug Hughey, Master Corporal Gord Larson, Corporal Catherine Larson, Corporal Peter McKenzie, Master Corporal Charles Sharp and Master Warrant Officer Randy Smith.

Brigadier Stan Parker, accompanied by a cadet Warrant Officer, inspects the members of the Haliburton Cadet Corps, 1129.

Full retirement put 'on hold' to help community through MD shortage

by Andrew Milne

Dr. Maurice Smith isn't quite retired yet. He had intended to be. When he and his wife bought their cottage in this area five years ago, he didn't have any intention of carrying on his profession in any way, shape, or form. After 32 years of practising in East Toronto, he had decided it was time to call it quits.

However, he happened to move to the Minden area. And Minden, as of the middle of April, 1995, when one of its few remaining full-time, family practitioners left unexpectedly, was suffering a pressing shortage of doctors.

So Smith, who has spent the last year tapering off his duties in his Toronto practise, has temporarily delayed full retirement.

"I had no intention of practising," said Smith, "but things are so desperate now... You're part of the community, and your community's needs should always come first."

Smith, who also did a fair amount of obstetrical work earlier in his career, likes the work of a family practice. "It's the only honest medicine, let me tell you," he says.

He laughs. "Though I'm biased when I say that."

He says he doesn't miss the obstetrics work, either.

"You do that when you're young," he says. "You can work and deliver babies in the middle of the night, and then cope with an office without any real difficulty, but as you get older, the disturbed nights really get to you."

Smith now works every Friday, and one Saturday a month to take some of the pressure off Dr. Bennett Wu at the temporary clinic set up in Minden. Wu was left in a huge, demanding solo practice, in a region short of practitioners, when his associate Dr. Anthony Holliday-Rhodes left Minden unexpectedly in mid-April.

Says Smith, "It's just to give Bennett a day off, or a weekend, or whatever, because that's what burns out the doctors."

This, adds Smith, is why it is difficult to get doctors in this region. In an area already underserved, a doctor entering this area can expect to be run off his feet with the demand, and this is a huge sacrifice to make.

Dr. Maurice Smith has delayed his retirement plans to help the community through the doctor shortage.

He says his days so far have been very full. Last Friday morning, as of 8:30, he'd already made one house call. ("It's part of family medicine, you see," he says, "to be able to go in and see patients in their home situations. Tells you an awful lot... I've always made house calls. It's just the way I was trained.")

Smith graduated from medical school in Glasgow, Scotland, in 1957. He spent the first few years of his career practising in Scotland, before emigrating to Canada in 1963.

TOGETHER, WE CAN MAKE A DIFFERENCE!

STERN DRIVES & INBOARDS

Committee will hear Victoria Street concerns

Persons concerned with the fate of Victoria Street Elementary School's student population have been invited to come to the management committee meeting of June 13.

The Haliburton County Board of Education's management committee will be discussing the project to build new facilities for the current population of the primary (K-2) school, and is expected to make a recommendation for the board to consider at its regular June meeting. Eager to go ahead with the project, which has been delayed by community concern for the fate of the historic Victoria Street school, the board says it intends to make a decision at the June meeting.

The choices are currently between (1) building a new, entirely separate facility on the property adjacent to J. Douglas Hodgson Senior Elementary School near Haliburton village, or (2) building a facility connected to JDHSES by a walkway or similar structure. A third option the board had been considering, enlarging JDHSES itself to fit the enlarged population has been dismissed by architects as too expensive.

Much of the concern surrounding the demise of Victoria Street, which is scheduled to close August 31, 1997, was that the homey, safe, comfortable atmosphere it offers its young population would be lost in the much larger JDHSES facility, which currently houses grades 3-8. A number of board members stated in voting to close VSES that in response to this concern, they expect to support a wholly separate facility.

Delegates from the community groups which had opposed the closure of VSES have already confirmed they will be present at the May 13 meeting.

The 70-year old Victoria Street structure was closed due to concerns about safety issues and crowding.

Kinmount 10 km trek raises \$9600

by Misty Bennett

The young and young at heart were out in full force June 4 as the Kinmount Committee for Planning and Economic Development held their annual 10 km Railway Trek.

The walkers started from the Kinmount Railway Station and made their way to the home of Russ and Joan Duhaime, and were then treated to refreshments, a dip in the family's pool, and a draw for prizes.

The Kinmount Fair Board donated the tractor-pulled trolley that followed the hikers on their walk. Anyone who felt they could not make the entire trek was invited to enjoy the scenic beauty of the rail line from the trolley, which was driven by Arnold Schroeter.

More the \$9600 was raised to benefit the Heritage Parkland Project in Kinmount. Organizer Dianne Austin

says some of the money raised will be also be used to pay for the flowers and barrels that adorn Kinmount streets.

Three and a half year-old Michael Pearson and his brother Tim, four and a half, completed half of the walk before boarding the trolley — an excellent achievement for such young children.

The Pearson family as a group raised \$370, making them the event's big money raisers.

First across the finish line was Ambrose Ferren, president of the Kinmount Fair Board.

Walkers quickly left Kinmount behind as they headed north on the old railway bed.

With the Kinmount Railways station in the background, two of the participants in the Railway Trek take the first of many steps on a 10 km hike.

Grads headed to all points of the educational compass

by Misty Bennett, HHSS student reporter

It's graduation time at HHSS and as school winds down, a whole lot of Grade 12 and OAC students begin to wind up. Although many of the grade 12 students know where they are headed next year, the anticipation is just beginning to mount for the OAC students who have applied to universities. Ontario universities won't be releasing letters of acceptance or rejection (sorry, it had to be said) until June 15, leaving plenty of time for nervous expectation.

So, for those of you who wish to know where to turn when you're looking for a good accountant or sports therapist or, for that matter, a Prime Minister in about four or five years, these are the plans of the majority of the graduating students in this year's OAC class. Please remember that what is written here are only tentative plans since acceptances from the universities have not yet been mailed. Nevertheless, I have no doubt that all of my fellow students will get into the university of their choice.

There are a fair number of HHSS students destined for the big city of Toronto next year. The abundance of university campuses in this area may have a lot to do with this fact.

Heading off to York University in the fall will be Julie-Anne Adam, Anthony Mestroni and Theresa Pollard. Both Adam and Pollard will be studying Kinesiology. Adam will also be studying English and hopes to get her Teacher's Certificate which will enable her to teach both English and Phys-Ed. Pollard, on the other hand, wants to centre on sports therapy and open her own clinic geared towards teenagers and young adults. Mestroni plans to study Film and Video, which he hopes will allow him to become an ILM (Industrial Light Magic) special effects artist.

Students destined for the University of Toronto include Laura Hopkins, Jaime Kent and Wendy

McAlister. These three girls all have different interest. Hopkins plans to study Commerce and Finance in hopes of becoming a Chartered Accountant. Kent will be working towards a double major in Political Science and Criminology. Kent confesses, tongue in cheek, that she'll either become Prime Minister or a serial killer. McAlister will be studying Zoology in hopes of becoming a Doctor of Veterinary Medicine.

The final Toronto university, Ryerson, should be expecting at least two of our graduates, Yvette Foster and Betty Verhovany. Foster will be taking advantage of Ryerson's excellent theatrical courses as she plans to study Technical Theatre Production. Verhovany will be studying Nursing and hopes that once she has obtained her Nursing degree she will be able to specialize in Gerontology.

There are four of our graduates off to Ottawa, three of whom will be attending Ottawa University, the other Algonquin College. Andrew Bain will be attending college to become a Civil Engineer Technologist. Tammy Moore will be studying Human Kinetics and she hopes to get involved in Phys-Ed either through coaching or by becoming a Fitness Consultant. Lisa Purvis wants to study Business and hopefully will become a Chartered Accountant. Ryan Smith will also be attending Ottawa U. to study Civil Engineering.

Also receiving four of our students will be McMaster University in Hamilton. Sarah Cowling is planning to enter the Social Work program. She would like to work with teens or in group therapy when she graduates. Rhys Gray also plans to be employed in the field of Social Work when he graduates from Mac's Social Science course. Damon Smith will be studying Commerce and has big plans for his future. He wants "...to own a multi-national corporation and bring a Tim Horton's to Minden." Finally, Rob Obrovac will be enrolled in the Engineering program.

(more on page 25)

It will soon be "good-bye Hal High" for OAC students Ryan Smith, Julie-Anne Adam and Jamie Kent.

Dr. Peter Bennett,
Dr. Joan Grant
and the staff at
Minden Animal Clinic
wish to congratulate

**Dr. Lindsay
Tomlinson**

on her recent
graduation from the
Ontario Veterinary
College
and welcome her to our
team beginning today -
June 12, 1995.

Ready for the end of their final year at HHSS are, from the left, Jim Dewey who is this year's valedictorian, Rudy Edwards, Luke Talaba, Yvette Foster, Keith MacKenzie and Sarah Newson.

Grads persue a variety of options

(from page 24)

Both Craig Barry and Sheena Horning will be attending the University of Waterloo. Barry will be studying Mathematics, specifically Combinatorics and Optimization. Horning plans to enter the field of Environmental Science.

Queen's University in Kingston is the educational destination of two of our graduates, Marc Letourneau and Jonathan Bishop. Letourneau plans to study History, but he is also considering Education and possibly Law. Bishop will be studying Natural Science and has plans to work in the field of Medicine, specializing in sports injury prevention and reparation.

This year's OAC Valedictorian, Jim Dewey, will be attending Trent University enrolled in the Concurrent Education program. Dewey plans to obtain his Bachelor of Art at teachers' college.

Dave Hughes and Dan Pocklington plan to attend Kawartha Lakes Bible College in Peterborough. Pocklington will study "...social, political and Christian matters all relating to and from the Bible.", while Hughes will be studying God's word and Music. Hughes desires a career which will involve both music and the Ministry.

Jennifer Rogers will be attending the University of Western Ontario in London where she plans to study Kinesiology. Rogers hopes to have a career in sports medicine.

Jamie McMahon will be attending either Brier Crest Bible College in Saskatchewan where he will study Sports Ministry, or Lakehead University in Thunder Bay where he will study Outdoor Recreation. McMahon's goal is to be a Youth Director.

Sarah Newson plans to attend Sir Sandford Fleming College in Peterborough to study Recreation Leadership. One day Sarah would like to own and operate a camp.

Rudy Edwards will be returning to HHSS for another

year to further his education. Edwards plans to go to the rainforest and study Biology there. Kelly Morrison will be remaining in Haliburton to work for a year before enrolling in the Canadian Armed Forces in either the Nursing or Military Police program. Melissa Grozelle will also be working, although she plans to be employed in Oshawa. She hopes to start university courses from Trent University through correspondence so that she will be able to attend the following year. Although Andrew Brooks does not know where he is going or what he is going to study when he gets there, he does aspire to be surrounded by good food, good drink and good company.

As for me, I'm hoping to attend Ryerson to study journalism, which, I'm sure, doesn't come as a surprise!

I would like to extend an invitation to all parents, relatives and friends of the graduating students, both Grade 12 and OAC, to attend the Commencement ceremony which will be held in the HHSS auditorium on June 24 at 7:30 p.m.

Taking a break in the cafeteria before hitting the books for the finals are, from the left, Damon Smith, Sarah Cowling, Andrew Bain and Tammy Moore.

Spring Fling raises \$1,600

The Spring Fling, organized by the Parent Volunteers of Ridgewood Public School in Cobocok, is destined to be an annual event. The Spring Fling raised \$1,600 for creative playground equipment for the school. The equipment is expected to cost more than \$25,000.

Marg Graham, one of the volunteers with the association, said that the secret auction alone raised \$1,100, thanks to the generous donations of 81 businesses and individuals.

This was the first time for the Spring Fling and Graham said that because of its success, it is expected to be an annual event.

The association is almost half way to its goal of \$25,000 for the playground equipment.

"On behalf of the committee, I'd like to thank everyone for their donations," Graham said.

Diane Gerrow is chair of the Ridgewood Parent Volunteer Association and Suzanne Archer and Judy Blackmore share the vice-chair duties. Suzanna Maltby is also on the executive.

Gerrow said the group is working on a cookbook, which should be available by November and a bazaar is planned for late November or early December, in time for Christmas.

The association can always use more volunteers. anyone interested in participating should contact the School.

ACCURACY COUNTS: The bean bag toss gave participants a chance to win prizes.

A MURAL FOR EVERY FACE: Face painters were kept busy designing the perfect paint job for each individual.

TAKE THAT! David Graham connects with a wet sponge to the face of Ridgewood Public School principal Brian Hough.

CLOWNING AROUND: Judy Blackmore donned a clown costume for the day. She even took her turn as a target for the water-saturated sponge tossers.

Fence height reduced; signs investigated; tennis anyone?

(from page 10)

quests were denied.

"I'd like to be a good neighbour," said councillor Rome, "but if we don't allow our local haulers to use the system, I don't see how we can let Sherborne."

Council passed a resolution to inform Sherborne officials of the situation and advising them that the Minden sewage plant would not be made available to them. They were also to be advised that if it was an emergency situation and no other method of disposal could be found, Sherborne may re-submit its request and the matter would be re-examined.

Fencing modified

Visitors to Minden's Panorama Park will notice that the fence has shrunk. Part of the fence that used to be six feet in height is now only four feet tall.

Since the fence was installed earlier this year, it has been vandalized several times. Parks manager Ivan Ingram told the Parks Committee that he thought the six-foot height of the fence was the reason for the vandalism, since the fence prevented an unobstructed view. Council gave its approval for removal of part of the six-foot fence and replacement with a four-foot chain link

fence. The higher fencing that has already been removed, was installed around part of the new playground beside the municipal building.

Cost of removing and reinstalling the fencing at both the Panorama Park and the playground has been set at \$2,270 plus applicable taxes.

Sign, sign, everywhere a sign

Richard Milewski spoke to AH&M council Thursday on behalf of several businesses which are located north of the Main Street Bridge. Milewski requested space for signage at the south end of the bridge to advertise the businesses in that part of the village.

Council explained that a lot of soul-searching was necessary before the present signs directing people to the arena, museum, and library/art gallery complex were allowed.

Milewski was told that the river was an attraction and council didn't want to detract from the aesthetic value by allowing signs for every business on the north side of the bridge.

Councillor Daryl Moore said that a problem could arise if signs were allowed for the businesses north of the bridge. He said that if they were allowed, there

would be no reason to deny other businesses from putting up signs at the bridge advertising for other parts of the village as well.

Safety concerns regarding distraction of motorists were also raised.

After a lengthy discussion, council agreed to investigate the possibility of allowing a single fingerboard-type sign to let motorists know there are businesses on the north side of the bridge.

The possibility of a "business area" sign that points both ways was discussed. Moore pointed out that although it wouldn't advertise specific businesses, it would give people "the incentive to go and look."

SSFC tennis instruction

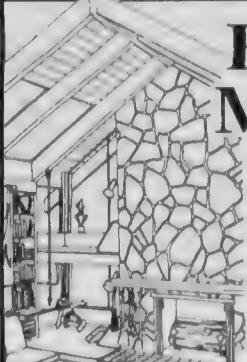

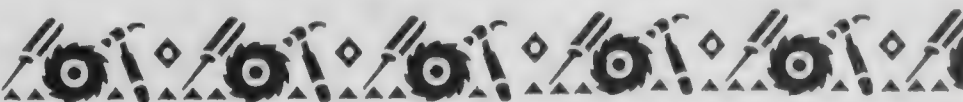

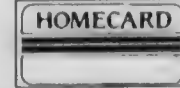

Sir Sandford Fleming College has requested the use of the Minden tennis courts for a one month period in 1996 to conduct tennis lessons. The requested time slots were Thursday evenings from 7 to 9 p.m. from May 14 to June 14 of next year.

The college has offered to pay \$20 per night for the use of the courts.

Council gave its approval for the college to use the facility for the specified times.

Where have all the seniors gone?

June is Senior Games Month.

If the kids haven't seen much of Grandma and Grandpa the past few months and if they won't be available for the next couple of weeks, it's probably because they are among the 27,000 to 30,000 over 55s taking part in this year's Ontario Senior Games.

Another 25,000 or so have been, and continue to be, involved in the planning, administration, and running of the 15 sanctioned events which are taking place this month in 39 districts across the province. Initiated in 1982 by the Older Adults Association of Ontario, the games continue to be a success story in furthering the goals of the organiz-

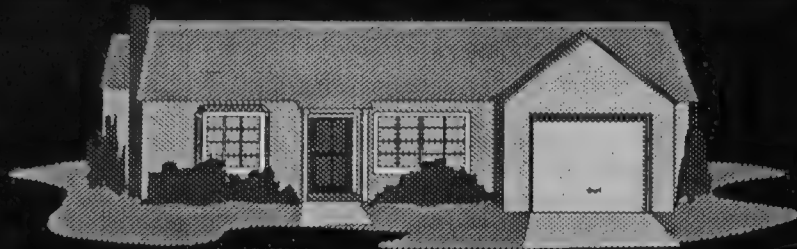

ers: improved physical fitness and recreation involvement.

For further information on the Senior Games in your community, call toll free 1-800-320-6423 or your local community Information Centre.

The Haliburton County Information Centre in Haliburton is open Monday to Friday from 10 a.m. to 12 p.m. and in Minden on Mondays only.

The Centre will resume regular hours in Minden every Monday as of June 26. The new accommodations are in the Court House Building adjacent to the Anson, Hindon and Minden Municipal Office.

"OUR WORK SPEAKS FOR ITSELF"

A quarter century

The Pentney family and staff at Minden Home Hardware celebrated a special anniversary last week. The business marked 25 years of serving the community. The anniversary was marked by a series of promotions, demonstrations and special days at the local store. As the week began, the Pentney family gathered under the anniversary banner to slice into a special birthday cake prepared by the staff. The family includes, from the left, Dave and Bonnie Pentney, founders Mini and John Pentney and Linda and John Pentney.

Trent Severn report

A sudden change affected the lake levels with the arrival of heavy rain on Friday June 2. The Haliburton area received much more rain than the southern Kawarthas and water levels rose quickly with some lakes going to 107% of their normal full level. The overall average for all reservoir lakes moved up to 101% and water had to be released from most of these lakes to slow their rise. Gull River flow has now reached 41 cubic metres per second from about 13 cm/s May 30.

The Kawarthas, with rain and the surplus from Haliburton, rose considerably too and large flow increases were needed to reduce the surplus. Some locks had to be closed because of the hazard to navigation caused by the heavy flows. The surplus may extend into this week (June 11-17) if forecast heavy rain is received.

(This report was prepared as of June 6, prior to the heavy rain which swept through the Haliburton Highlands last Wednesday.)

CORPORATION OF THE TOWNSHIPS OF ANSON, HINDON AND MINDEN NOTICE OF PASSING OF ZONING BY-LAW NO. 95-24

TAKE NOTICE that the Council of the Townships of Anson, Hindon and Minden passed By-Law Number 95-24 on the 8th day of June, 1995, pursuant to Section 34 of the Planning Act, R.S.O. 1990, as amended.

AND TAKE NOTICE that any person or agency may appeal to the Ontario Municipal Board in respect to this By-Law by filing with the Clerk, of the Townships of Anson, Hindon and Minden, not later than the 2nd day of July, 1995, a Notice of Appeal setting out the objection to the By-law and the reasons in support of the objection, accompanied with the fee prescribed under the Ontario Municipal Board Act.

NOTE: As the last day of appeal falls on a holiday, appeals may be filed on the day following, that is not a holiday.

The purpose of the zoning by-law amendment is to change the zoning category of approximately 2.42 hectares (6 acres) of land located on Soyers Lake, at Part of Lot 27, Concession 9, in the Township of Minden, from Rural (RU) to Residential-Limited Services Exception Twenty-six (RLS*26) to fulfil a Condition of Consent.

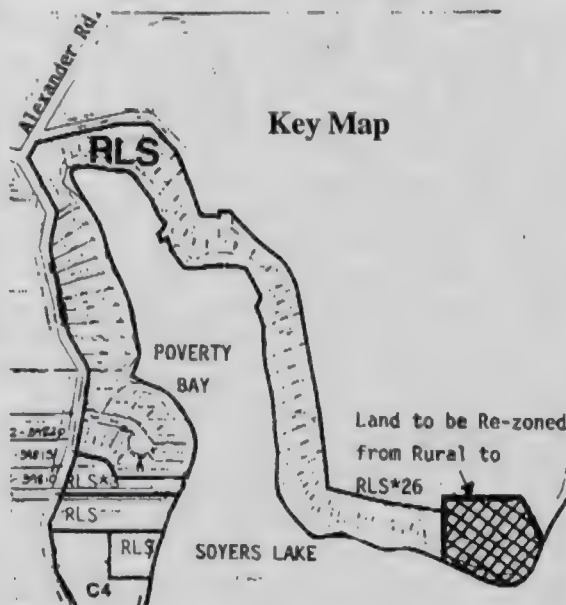

The land affected by the proposed zoning by-law amendment is shown on the Key Map as the "LAND TO BE ZONED FROM RURAL TO RLS*26".

A copy of the complete By-Law is available for review at the Municipal Offices during regular office hours.

(Ms.) Tammy McKelvey,

VON Executive Director leaving

The Victorian Order of Nurses Peterborough, Victoria and Haliburton Branch is an organization that is always working to meet the needs of the community. And this means shifting with new environments and positioning for the future.

Lyn Linton, Executive Director of the Branch for the past ten years, has been the visionary leader, able to see change before it happens, and to steer the organization to where it would continue to grow. Mrs. Linton has now found a new opportunity and will be moving on to new challenges with Johnson and Johnson.

The accomplishments that the VON has made, under Mrs. Linton's guidance, have positioned the Branch to be recognized as the leading quality provider of diversified and innovative community-based health services. External changes to our economy and Health Care System have shifted the methods of service delivery in meeting health care needs. The VON Peterborough, Victoria and Haliburton Branch has continually looked at ways to diversify by exploring and seeking additional markets or gaps in service.

Mrs. Linton has seen many accomplishments made by the Branch over the year. Some of these include the opening of an additional Adult Day Care Centre in Lindsay, development and expansion of our Foot Care Program to 23 clinics throughout the

three counties, and the development of the Continence Program. The Branch has also been busy developing new initiatives that will guide the organization after the implementation of the government's Multi Service Agency (MSA). New program development has been taking place to insure that the VON Peterborough, Victoria and Haliburton Branch continues to meet the needs of the community once the MSA is in place.

Mrs. Linton is leaving the VON

Branch in a strengthened and solid position because of her belief in planning for the future, in utilizing the expertise of staff, board and volunteers, and always putting the client's needs first. She will be greatly missed but the accomplishments that have been made under her guidance, both in the past and for the future, will allow the VON Peterborough, Victoria and Haliburton Branch to continue serving the health care needs of the community for many years to come.

PHIL CROMPTON (705) 489-4264

Library has new resource

There is nothing more frustrating than needing the telephone number or address of a person that you want to talk to in Beaver River and not having a telephone directory handy. Thanks to a recent acquisition by the Haliburton County Public Library, this is no longer a problem.

The new service is called Canada Phone. It is a CD-ROM based database which allows you to search for telephone numbers and addresses all across Canada. Updated quarterly, it eliminates the need for the library to purchase new telephone books every year. We now have a current and comprehensive list for a fraction of the cost.

Available only at Headquarters, this new information resource should prove to be a valuable aid in solving many of your problems.

For complete information, contact the County Library, Monday to Friday, 9 a.m. to 5 p.m. Just another on-ramp to the information highway made available by the Haliburton County Public Library.

SUMMER YOUTH SERVICE PROJECT

Stanhope Recreation Trails Committee will be developing walking trails this summer. We are looking for 3 high school students to work on this project. Any student, 16 years of age or older, who is interested in acquiring job skills and life skills through a hands-on-service project, please register at the Haliburton Employment Centre. Each participant will receive a stipend of \$100. per week and a completion bonus of \$500. This is a 10 week project scheduled to start Monday, June 26th. Closing date is Tuesday, June 20th, 12 noon. For more information on this project call Darlene Johnson at 489-3312 or the Township Office at 489-2379.

FLEMING

SIR SANDFORD FLEMING COLLEGE

EMPLOYMENT OPPORTUNITY

Sir Sandford Fleming College's Haliburton Campus has an excellent employment opportunity commencing June 26 and lasting one year. The successful applicant will perform general clerical and reception duties in a busy, deadline-oriented office environment. Potential candidates should possess good written and oral communication skills, keyboarding skills of 40wpm, WordPerfect experience, some bookkeeping skills and an ability to manage and prioritize time. A detailed job description is available for pick up from Sir Sandford Fleming College, the Haliburton County Social Services Office in Minden and the Employment Services Office in Haliburton.

Eligible applicants must be in receipt of Social Assistance (Family Benefits Allowance and General Welfare Assistance) or spouses who are included in the allowance and are: at risk of long-term dependence on social assistance, ready to make the transition to employment and have not participated in the Social Service Employment Program within the past three years. Vocational Rehabilitation clients who are not in receipt of FBA or GWA are also eligible to apply.

Application Deadline: June 16, 1995.

For further information call Sir Sandford Fleming College at 457-1680.

THE CORPORATION OF THE TOWNSHIP OF LUTTERWORTH PUBLIC NOTICE

File # SR-5/94

TAKE NOTICE that the Council of the Municipal Corporation of the Township of Lutterworth, proposes to enact a by-law to stop up, close and convey to the abutting property owners a portion of the original allowance for road set out and described as follows:

FIRSTLY: ALL and singular those certain parcels or tracts of land and premises situate, lying and being in the Township of Lutterworth, in the County of Haliburton and being composed of part of the original sixty-six foot shore road allowance along the shore of Gull Lake, lying in front of Part of Lot 20, Concession 10, and being more particularly described as Part 1 on a Plan deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R-6051.

THE PROPOSED BY-LAW will come before the said Council for consideration at its Regular Meeting to be held at the Municipal Office, located three miles south of Minden on Highway #35 on the 22nd of June, at the hour of 7:00 p.m. and at that time, the Council will hear in person or by his or her counsel, solicitor or agent any person who claims that his or her land will be prejudicially affected and who applies to be heard.

DATED at the Township of Lutterworth this 16th day of May, 1995.

Mary Jane Irwin, A.M.C.T.,
Clerk-Treasurer,
Township of Lutterworth,
P.O. Box 850,
Minden, Ontario

Around the County Town

by Jeanne Sears (call 286-1538)

Sunday was a special day for me as a crowd of my family enjoyed a luncheon-buffet in our Common Room and my brother and his wife, Margaret Murchison, met some new people. We numbered 25 and some of the young people enjoyed a game of soccer in the arena parking lot while others enjoyed a good old "gab". All too soon they left, but we had a great time on a grand June day. Of course the three youngest folks, five and a half, fifteen months and one year, stole the show.

The Bacon Memorial Dart tournament took place at Kinmount Branch Legion 441 with the following winners: Team winners Sue and Bill Stewart and Eileen and Mike Bool of Cannington; Leslie Hudson, Rick Hartwick, Holly Lougheed and Dannie Harris of Kinmount. Doubles were Hillary Kelly and Jim Maxwell of Kinmount, Lynne Kilby and John McMahon Kinmount. Singles: Mike Downes and Rick Hartwick and for ladies Sue Stewart and Nadine Woods. Men's high score was Les Robinson with 155 and for the ladies, Bernice Owens with 144. This was a very pleasant day at Kinmount Legion.

Recent guests with Florence Robinson were her sister Grace and Ern Voycey of Gamebridge and their daughter Linda Voycey of Calgary, Leona and Steve Negus of Lindsay and Bradley, Maggie and Donna Robinson from Toronto.

Minden Legion Branch 636 euchre winners for June 2 included, with most lone hands Betty Harper and Murray MacKinnon, Margaret Fletcher and Joe Henn with the highs, Helen Skelding, Bill Menard, Tod Edgerson, Roy McDonald, Milton Fletcher, Helen Henderson, Vi Edgerson and Verna McDonald.

The Minden Agricultural Society meeting will be held on Tuesday, June 15 at 7:30 p.m. in the exhibit building at the fairgrounds.

All good wishes to the following reportedly on the sick list: Norma Burk, Reg Burke, Peggy and Bill Kelly, Ruby Graham, Arnold Walker, Hilda Harrison and Bette Herlihey.

Weekly Monday afternoon euchre winners at St. Paul's on June 5 included Ellen Holden, Dorothy McElwain, Ellie Langpohl and Iris Taylor. Most lone hands went to Galdys Wruth and the draw to Irene Fuhr. All are welcome to come out for a pleasant afternoon. The games begin at 1:30 p.m.

Also on Monday June 5, the Stanhope Bridge Club enjoyed their games in Stanhope Library and a Grand Slam was bid and won by Helen Heal and Vange Croucher. The winners for the day included Vange Croucher, Marian Irwin and Russ Fair. They welcome all bridge players to the Monday afternoon games which begin at 1 p.m. and no partner

needed.

Visiting Etta and Bob McCann were Brenda, Sean, Erin and Matthew Scanlon of Georgetown and 3 1/2 year old Erin made her grandparents very happy by staying for a few days.

Club 35 euchre game winners for June 5 included Bill Matthews with most lone hands, Edith Russell and Murray Daniels with the highs, Betty Matthews, Bill Cowen and Olive Jones who also won the 50-50 draw. Next Wheels to Meals luncheon is 12 noon on June 20.

Sincere sympathy to the families and friends of the late Ken Fielding Sr., Joan Calder, Larry Cooper, Karen Henderson, Clifford Bradbury and John Brohm who passed away recently.

The County Town Museum Committee would be pleased to accept good used articles (no clothing) for their yard sale on July 15. Call 286-1682. They need volunteers to help at the Centre at various times over the July 1 and 2 weekend.

Kinmount Seniors euchre winners for May 17 included Ted Wilkins for most lone hands, Truman McNeil, Danny Pappas, Isa Hilyer, Joan Pappas. May 24 winners - lone hands went to Helen

Byne while others were Ruth Kellett, Vi Danilko, Win Wilson, Dave Danilko. Euchre games are held at the Station every Wednesday night at 8 p.m. Don't forget the Fun Fair on Saturday June 17. Games for children, flea market etc. For information 488-2728.

The Lions Luxury Draw '95 still has a limited number of tickets available. See any Lions member or call 286-3714 for yours.

Ladies Auxiliary of Hyland Crest will meet Monday June 19 at 1:30 p.m. Don't forget your donation for the gourmet basket. A Strawberry Tea and Bake Sale is planned for June 29. See you there.

Minden Women's Institute members welcome ladies to come to their meeting and pot luck at Minden United Church hall on Wednesday June 21 as noon. Bring cutlery and dishes (we hate to wash dishes). This will be a brief meeting and we'd like to meet any newcomers.

I can't read.
Will you help?

CARDS OF THANKS

I should like to thank Guy Scott and staff at Kinmount I.G.A. for all their help to me over the past few years.

Bill Shaw, Gooderham.
6AB

I wish to thank the friends and neighbours of the Haliburton and Minden area for their support toward my family during my unexpected stay at Peterborough Civic Hospital. I wish to express a special thank you to both Mrs. Anne McAdam and Mrs. Marg Prentice for preparing meals for my children, Shannon, Cody, Joshua and Shain, to Carol and Cindy from the local Area Services for contacting the eight people and a special thank you to Al McAdam for all the added responsibilities he tended to due to my absence.

Thank you again,
Wendy Butler Duda.

A special thank you to all of my family and friends for their well wishes, flowers, cards, love and support during my recent illness. It's nice to know that people care. Thanks again,
Deb McKelvey.

AT REST

FIELDING

Kenneth James (Ken) Sr.
Peacefully at his residence after a lengthy illness on Sunday, June 4, 1995. In his 67th year. Beloved husband of Pearl, dear father of Kenneth Jr. and his wife Margaret of Minden, Charmaine of Parry Sound, Stephen of Pickering and Wayne of Minden. Loving grandfather of Curtis, Erin and Amy, dear brother of Les and Marion of Cannington, Mima Burwood of Haliburton, Isobel and Bill Harlow of Sunderland, Edith and Fred Stank of Minden and predeceased by Bert. Dear brother-in-law of Joy, son of the late Edna and Edward Fielding. Fondly remembered by many nieces and nephews. Mr. Fielding rested at the Gordon A. Monk Funeral Home, 127 Main Street, Minden from 7-9 p.m. Tuesday. Funeral Service was held in the Chapel on Wednesday, June 7 at 1:30 p.m. Interment Ingoldsby Cemetery. Memorial donations to the Canadian Cancer Society would be appreciated.

IN MEMORIAM

VOICEY, Joe - In loving memory of my dear husband who passed away June 10, 1982. No one knows how much I miss you. No one knows the bitter pain I have suffered since I lost you. Life has never been the same. In my heart your memory lingers, Sweetly tender, fond and true. There is not a day dear Joe, That I do not think of you. I miss you so much each day. Lovingly, Alice.

VOICEY, Joe - In loving memory of our dear Dad and Grandpa who passed away June 10, 1982. Though his smile is gone forever, And his hand we cannot touch, Still we have so many memories Of the one we loved so much. Fondly remembered by Loretta, Dave, Audress, Don, Sharon, Allan and Families.

HORSLEY, Garth Leroy - In loving memory of a dear husband, father and poppa who passed away June 12, 1991. Every day in some small way Memories of you come our way; Though absent, you are ever near, Still missed, loved, always dear. Forever loved, so sadly missed by wife Shirley, children-Judy, Jay, Dawn, Michele and Susan, their spouses and grandchildren.
